
DREAM CITY

MASTER PLAN

A connected model for housing, jobs, veterans, small business growth, fulfillment, festivals, and 24/7 business media.

Powered by Dream OS

HOW THE ECOSYSTEM WORKS

1. Businesses Join

Dream TV, Store, Social, Trivia

2. Customers Engage

Watch, play, vote, shop

3. Orders Move

Fulfillment centers ship globally

4. Residents Work

Veterans and local residents earn

5. Festivals Amplify

Tourism, media, showcases

6. Data Improves

Better campaigns and outcomes

COMMUNITY OUTCOMES TO MEASURE

- Residents housed
- Veterans employed
- Businesses onboarded
- Products shipped
- Festival visitors
- Training completions
- Local spending indicators
- Safety and wellness outcomes

Planning framework only - final budgets, incentives, compliance, and timelines require professional review.
